

The drugs listed below are all available in the clinic at little or no cost to you and your family with clinic use. Because we are not a pharmacy, all drugs must be prescribed by the Activate Healthcare physician. If your physician has been prescribing one of these drugs and you want to take advantage of the drugs available at the clinic please schedule an appointment with the physician, physician assistant or nurse practitioner. If appropriate, they will write you a new prescription and can provide the drug to you.
