The medications and supplies listed below are all available in the clinic at no cost to you and your family with clinic use. Because we are not a pharmacy, all medications or supplies must be prescribed by the Activate Healthcare provider. If your physician has been prescribing one of these medications or supplies and you want to take advantage of the ones that we have available at the clinic, please schedule an appointment with the provider at the clinic. If appropriate, they will write you a new prescription and can provide them to you.
